Our Curriculum

Good Shepherd Child Care uses Creative Curriculum and assessment. Creative Curriculum is designed to focus on your child's individual needs. We use goals and objectives to meet pre-k standards and implement developmentally appropriate social-emotional, physical, cognitive and language skills in all of our classrooms. Lesson plans are posted outside each of our child care classrooms and on our website with an emphasis on family involvement.

Summer Programs

Summer at Good Shepherd Child Care is packed with field trips, special events, pool days, tball, swimming lessons and lots of outside playtime!

About Us

Good Shepherd Child Care is a licensed child care center through the state of Minnesota. We provide quality programs and excellent care to children ages 6 weeks to 12 years. Our program is run in a Christian facility with a nursery school atmosphere. Good Shepherd Child Care uses a state approved curriculum that provides guidance on establishing and sustaining high-quality programs for the care and education of young children.

Good Shepherd Child Care is part of the Child and Adult Care Food Program (CACFP). Participants receive free nutritious meals and education to help them learn and practice healthy habits for a lifetime of wellness. The CACFP promotes improved nutrition for Minnesota children in child care centers.

We are here to provide a service to Good Shepherd Lutheran Services employees, to the community and to bring intergenerational sharing to the residents of Good Shepherd Lutheran Home, Bremmer Suites and Good Shepherd Senior Apartments.
