

Sunscreen Permission Slip

Dear Parents,

It is almost summer and once again time to begin thinking about sunscreen for our children here at Good Shepherd.

We require all child care parents to pay a flat summer fee of \$10.00 for sunscreen. Good Shepherd will then provide your child with sunscreen all summer long. No need to provide your own. This charge will show up on your child's daycare invoice. It is our policy that child care staff will apply sunscreen through out the day to all of the children at Good Shepherd.

The brand that we will use is: Banana Boat Kids UVA & UVB Sun block Lotion/Spray SPF 50 (waterproof safe and gentle) or a similar generic brand. If your child has sensitive or dry skin you may bring in your own if needed. Please let Jenny or your child's teachers know of any special instructions for applying sunscreen to your child.

By signing the permission slip below, you are giving the staff at Good Shepherd Child Care permission to administer sunscreen to your child throughout the day as needed. This permission slip will be valid from May 1, 2011 through September 30, 2011.

If you have any questions please don't hesitate to call or stop in. Thank you for helping us keep all of our children safe from sunburn!
